

LFP 32140 3.2V 150Ah High Stability Lifepo4 Battery Pack

Our Product Introduction

for more products please visit us on tinkopower.com

Basic Information

- Place of Origin: China
- Brand Name: TINKO/OEM
- Certification: CE/ROHS/MSDS/UN38.3
- Model Number: TK32140
- Minimum Order Quantity: 10PCS
- Price: Negotiable
- Packaging Details: parer carton
- Supply Ability: 100pcs/day

Product Specification

- Product Category: Lifepo4 Battery Pack
- Safety: High
- Weight: 2720g
- Voltage: 3.2V
- Battery Type: Lifepo4
- Product Name: LFP 32140 Cylindrical Lifepo4 Battery 3.2V 150ah Lithium Battery Pack
- Environmentally Friendly: Yes
- Stability: High
- Highlight: LFP 32140 3.2V lifepo4 battery, 150Ah high stability battery pack, lifepo4 battery pack with warranty

Product Description

Environmentally Friendly and High Stability Lifepo4 Battery Pack with High Discharge Current Handling

Product Attributes

Attribute	Value
Product Category	Lifepo4 Battery Pack
Safety	High
Weight	2720g
Voltage	3.2V
Battery Type	Lifepo4
Product Name	LFP 32140 Cylindrical Lifepo4 Battery 3.2V 150ah Lithium Battery Pack
Environmentally Friendly	Yes
Stability	High

Product Description

The LFP 32140 Cylindrical Lifepo4 Battery 3.2V 150ah Lithium Battery Pack is a high-quality energy storage solution that offers exceptional performance and reliability. With a discharge current handling capability of High, this battery pack is designed to meet the power demands of various applications.

Featuring a voltage of 3.2V, the LFP 32140 Cylindrical Lifepo4 Battery provides a stable and consistent power supply for your devices or systems. Whether you need a 12V LiFePO4 Lithium Battery or a 48V LiFePO4 Battery Pack, this versatile battery pack can be configured to suit your specific requirements.

One of the key benefits of the LFP 32140 Cylindrical Lifepo4 Battery is its long cycle life, ensuring that you can rely on this battery pack for extended periods of use. Whether you are looking for a 48V LiFePO4 Battery Pack or a 48V LiFePO4 Lithium Battery, this product offers the durability and longevity you need for your energy storage needs.

Weighing 2720g, the LFP 32140 Cylindrical Lifepo4 Battery strikes a balance between portability and capacity, making it suitable for a wide range of applications. Whether you are powering portable devices or stationary systems, this battery pack provides the power and performance you can depend on.

Features

Product Name: Lifepo4 Battery Pack

Safety: High

Voltage Output: Stable

High Quality: Yes

Product Category: Lifepo4 Battery Pack

Battery Type: Lifepo4

Technical Parameters

Parameter	Value
Product Name	LFP 32140 Cylindrical Lifepo4 Battery 3.2V 150ah Lithium Battery Pack
Capacity	150AH
Safety	High
Environmentally Friendly	Yes
Size	330*35*180mm
Origin	Dongguan, China

Product Category	Lifepo4 Battery Pack
Voltage	3.2V
Weight	2720g
Discharge Current Handling	High

Applications

TINKO/OEM's TK32140 High Voltage LiFePO4 Battery Pack is a versatile and reliable power source suitable for a variety of applications. With certifications including CE, ROHS, MSDS, and UN38.3, this battery pack is guaranteed to meet quality and safety standards. Originating from China, the TK32140 is a top choice for customers looking for a high-quality battery solution.

The TK32140 Lifepo4 Battery Pack is ideal for use in E Scooter Battery Pack applications, providing stable voltage output and a long cycle life. Its high discharge current handling capability makes it perfect for powering electric scooters, ensuring consistent performance and reliability.

Whether you need a battery power pack for personal or commercial use, the TK32140 is a cost-effective solution with a negotiable price and a minimum order quantity of just 10PCS. With a supply ability of 100pcs/day, you can rely on this battery pack to meet your power needs consistently.

When it comes to packaging, the TK32140 is carefully packed in paper cartons to ensure safe transportation and storage. Its 3.2V voltage output and stable performance make it a dependable choice for various Product Category applications, from portable electronics to energy storage systems.

Support and Services

Our Product Technical Support and Services for the Lifepo4 Battery Pack include:

- Expert troubleshooting assistance for any operational issues
- Guidance on proper installation and maintenance procedures
- Warranty support and product repair services
- Access to online resources such as user manuals and FAQs
- Continuous product updates and improvements

Packing and Shipping

Product Packaging:

The LiFePO4 battery pack is carefully wrapped in protective packaging to ensure safe transportation. The pack is placed in a sturdy cardboard box with cushioning materials to prevent any damage during shipping.

Shipping:

We offer secure and reliable shipping services for our LiFePO4 battery pack. The pack is shipped using trusted carriers to ensure timely delivery to our customers. We take all necessary precautions to comply with shipping regulations and ensure the safe delivery of the product.

FAQ

Q: What is the brand name of this battery pack?

A: The brand name is TINKO/OEM.

Q: What is the model number of this battery pack?

A: The model number is TK32140.

Q: What certifications does this battery pack have?

A: This battery pack is certified with CE/ROHS/MSDS/UN38.3.

Q: Where is this battery pack manufactured?

A: This battery pack is manufactured in China.

Q: What is the minimum order quantity for this battery pack?

A: The minimum order quantity is 10PCS.
