### Basic Information

- Place of Origin: China
- Brand Name: TINKO/OEM
- Certification: CE/ROHS/MSDS/UN38.3
- Model Number: TK32140
- Minimum Order Quantity: 10PCS
- Price: Negotiable
- Packaging Details: parer carton
- Supply Ability: 100pcs/day

### Product Specification

- Voltage: 3.2V
- Stability: High
- Capacity: 150AH
- Cycle Life: Long
- Origin: Dongguan, China
- Size: 330\*35\*180mm
- Safety: High
- Battery Type: Lifepo4
- Highlight: 150AH LiFePO4 golf cart battery ,  
3.2V LiFePO4 e-bike battery ,  
lifepo4 battery pack with warranty

Product Description

Long Cycle Life Deep Cycle LiFePO4 Battery for Golf Carts and Electric Bikes

Attribute	Value
Voltage	3.2V
Stability	High
Capacity	150AH
Cycle Life	Long
Origin	Dongguan, China
Size	330*35*180mm
Safety	High
Battery Type	Lifepo4

Product Description

The 48V LiFePo4 Battery Pack is a powerful and reliable battery power pack designed to provide high-capacity energy storage for various applications. With a size of 330\*35\*180mm, this battery pack is compact and versatile, making it ideal for both residential and commercial use.

Featuring a large capacity of 150AH, the 48V LiFePo4 Battery Pack offers long-lasting power to keep your devices and equipment running smoothly. Whether used in off-grid systems, electric vehicles, or backup power solutions, this lithium battery pack delivers consistent performance and reliable energy supply.

One of the standout features is its high discharge current handling capability, making it suitable for high-demand applications that require quick bursts of energy. With high safety standards and built-in safety mechanisms, the battery pack operates securely and reliably at all times.

The 48V LiFePo4 Battery Pack is free from toxic metals, making it an environmentally friendly and sustainable energy storage solution that reduces environmental impact.

Key Features

- Product Name: Lifepo4 Battery Pack
- Discharge Current Handling: High
- Cycle Life: Long
- Environmentally Friendly: Yes
- Voltage: 3.2V
- Capacity: 150AH

Technical Specifications

Origin	Dongguan, China
High Quality	Yes
Toxic Metals	None
Safety	High
Battery Type	Lifepo4
Voltage Output	Stable
Stability	High
Product Name	LFP 32140 Cylindrical Lifepo4 Battery 3.2V 150ah Lithium Battery Pack
Size	330*35*180mm
Cycle Life	Long

## Applications

TINKO/OEM's LFP 32140 Cylindrical Lifepo4 Battery is designed for electric vehicles, solar energy storage systems, UPS backup power, and other applications requiring reliable high-voltage power. Certified with CE, ROHS, MSDS, and UN38.3 for safety and reliability.

## Support and Services

Our team provides comprehensive technical support for installation, setup, troubleshooting, and maintenance, along with regular updates and firmware upgrades to enhance performance.

## Packaging and Shipping

Each battery pack is securely packaged in durable cardboard boxes with ample padding. We provide reliable shipping with tracking information for all orders.

## Frequently Asked Questions

**Q: What is the Brand Name of this battery pack?**

A: The Brand Name is TINKO/OEM.

**Q: What is the Model Number of this battery pack?**

A: The Model Number is TK32140.

**Q: What certifications does this battery pack have?**

A: This battery pack is certified with CE/ROHS/MSDS/UN38.3.

**Q: Where is this battery pack manufactured?**

A: This battery pack is manufactured in China.

**Q: What is the Minimum Order Quantity for this battery pack?**

A: The Minimum Order Quantity is 10PCS.
