

150AH Lifepo4 Battery Pack 3.2V for E Scooters

Our Product Introduction

for more products please visit us on tinkopower.com

Basic Information

- Place of Origin: China
- Brand Name: TINKO/OEM
- Certification: CE/ROHS/MSDS/UN38.3
- Model Number: TK32140
- Minimum Order Quantity: 10PCS
- Price: Negotiable
- Packaging Details: parer carton
- Supply Ability: 100pcs/day

Product Specification

- Voltage: 3.2V
- Cycle Life: Long
- Safety: High
- Stability: High
- Voltage Output: Stable
- Capacity: 150AH
- Product Category: Lifepo4 Battery Pack
- Size: 330*35*180mm
- Highlight: 150AH Lifepo4 battery for e scooters , 3.2V Lifepo4 battery pack , Lifepo4 scooter battery with warranty

Product Description

Powerful E Scooter Battery Pack 150AH Lifepo4 for Eco-friendly Transportation

Product Overview

The 12V LiFePO4 Lithium Battery is a high-quality energy storage battery pack designed to provide reliable power for various applications. With a capacity of 150AH, this battery pack offers long-lasting performance and is suitable for use in E Scooter Battery Pack applications as well as other energy storage needs.

One of the key features of this LiFePO4 battery pack is its exceptional cycle life, ensuring that it can be recharged and discharged multiple times without losing its efficiency. This makes it a cost-effective and reliable solution for long-term use.

Not only does this battery pack deliver high performance, but it is also environmentally friendly. The LiFePO4 chemistry used in this battery is known for its stability and safety, making it a sustainable choice for those looking to reduce their carbon footprint.

Key Specifications

Attribute	Value
Voltage	3.2V
Cycle Life	Long
Safety	High
Stability	High
Voltage Output	Stable
Capacity	150AH
Product Category	Lifepo4 Battery Pack
Size	330*35*180mm

Technical Parameters

Parameter	Value
Stability	High
Discharge Current Handling	High
Environmentally Friendly	Yes
Size	330*35*180mm
High Quality	Yes
Cycle Life	Long
Origin	Dongguan, China
Product Name	LFP 32140 Cylindrical Lifepo4 Battery 3.2V 150ah Lithium Battery Pack
Capacity	150AH

Voltage	3.2V
---------	------

Applications

The TINKO/OEM TK32140 Lifepo4 Battery Pack is a versatile and high-quality power solution suitable for a wide range of product application occasions and scenarios. With certifications including CE, ROHS, MSDS, and UN38.3, this battery pack guarantees both performance and safety.

Originating from China, specifically Dongguan, this battery pack offers a high discharge current handling capacity, making it ideal for demanding applications such as Hybrid Battery Packs, Electric Scooter Battery Packs, and Electric Scooter Battery Packs.

With a voltage of 3.2V and a capacity of 150ah, this LFP 32140 Cylindrical Lifepo4 Battery Pack is designed to deliver reliable power in various situations. The minimum order quantity of 10PCS makes it accessible for both small-scale and large-scale projects, while the negotiable price caters to different budget requirements.

Support and Services

- Assistance with installation and setup of the battery pack
- Troubleshooting guidance for any technical issues
- Warranty support and information
- Guidance on proper maintenance and care of the battery pack
- Product documentation and user manuals for reference

Packing and Shipping

Each Lifepo4 Battery Pack is carefully packaged to ensure safe transportation and delivery. The product will be wrapped in protective packaging material to prevent any damage during shipping.

Shipping Method: We use reliable shipping carriers to deliver your Lifepo4 Battery Pack to your desired location. You will receive a tracking number once your order has been dispatched.

Frequently Asked Questions

What is the brand name of this Lifepo4 Battery Pack?

The brand name is TINKO/OEM.

What is the model number of this Lifepo4 Battery Pack?

The model number is TK32140.

What certifications does this Lifepo4 Battery Pack have?

This battery pack is certified with CE, ROHS, MSDS, and UN38.3.

Where is this Lifepo4 Battery Pack manufactured?

The battery pack is manufactured in China.

What is the minimum order quantity for this Lifepo4 Battery Pack?

The minimum order quantity is 10PCS.
