

## 150AH 3.2V Lifepo4 Battery Pack High Stability Long Cycle Life

Our Product Introduction

for more products please visit us on [tinkopower.com](http://tinkopower.com)

### Basic Information

- Place of Origin: China
- Brand Name: TINKO/OEM
- Certification: CE/ROHS/MSDS/UN38.3
- Model Number: TK32140
- Minimum Order Quantity: 10PCS
- Price: Negotiable
- Packaging Details: parer carton
- Supply Ability: 100pcs/day

### Product Specification

- Capacity: 150AH
- Toxic Metals: None
- Stability: High
- Battery Type: Lifepo4
- Cycle Life: Long
- Voltage: 3.2V
- Safety: High
- Product Category: Lifepo4 Battery Pack
- Highlight: **150AH Lifepo4 battery pack, 3.2V Lifepo4 battery with warranty, long cycle life Lifepo4 battery**

## Product Description

# 2720g Lifepo4 Battery Pack 3.2V Environmentally Friendly and for Green Energy Solutions

## Product Attributes

Attribute	Value
Capacity	150AH
Toxic Metals	None
Stability	High
Battery Type	Lifepo4
Cycle Life	Long
Voltage	3.2V
Safety	High
Product Category	Lifepo4 Battery Pack

## Product Description

The LFP 32140 Cylindrical Lifepo4 Battery 3.2V 150ah Lithium Battery Pack is a high-performance battery solution designed for various applications requiring a reliable power source. With a weight of 2720g, this battery pack offers a lightweight and portable energy storage solution for your devices and equipment.

As a 12V LiFePO4 Battery Pack, this product provides a stable voltage of 3.2V, ensuring consistent power delivery for your devices. Whether you need a Deep Cycle LiFePO4 Battery for long-term energy storage or a Battery Power Pack for high-discharge applications, this battery pack is up to the task.

The LFP 32140 Cylindrical Lifepo4 Battery is known for its high discharge current handling capability, making it ideal for devices that require bursts of power. Its high stability ensures reliable performance even in demanding conditions, giving you peace of mind knowing that your equipment is powered by a dependable energy source.

## Features

- Product Name: LFP 32140 Cylindrical Lifepo4 Battery 3.2V 150ah Lithium Battery Pack
- Toxic Metals: None
- Size: 330\*35\*180mm
- Battery Type: Lifepo4
- Discharge Current Handling: High

## Technical Parameters

Parameter	Value
Discharge Current Handling	High
Cycle Life	Long
High Quality	Yes
Safety	High
Voltage Output	Stable

Origin	Dongguan, China
Weight	2720g
Environmentally Friendly	Yes
Size	330*35*180mm
Stability	High

## Applications

The TINKO/OEM TK32140 LiFePO4 Battery Pack is a versatile and reliable power solution suitable for a wide range of applications. With certifications such as CE, ROHS, MSDS, and UN38.3, this battery pack ensures high standards of quality and safety. Originating from China, specifically Dongguan, this product boasts a minimum order quantity of 10PCS and a negotiable price, making it accessible for various needs.

The 48V LiFePO4 Lithium Battery is ideal for scenarios requiring a stable and high-output power source. Its size of 330\*35\*180mm makes it compact and easy to integrate into different systems. Whether it's for electric vehicles, solar energy storage, or backup power supply, this battery pack provides consistent voltage output and high stability.

## Support and Services

The LifePO4 Battery Pack product comes with comprehensive Product Technical Support and Services to assist customers in optimizing the performance and lifespan of their battery packs. Our technical support team is available to provide guidance on installation, troubleshooting, and maintenance procedures. Additionally, we offer services such as battery testing, capacity analysis, and custom battery pack design to meet specific requirements.

## Packing and Shipping

**Product Packaging:** The LifePO4 Battery Pack is carefully packaged in a sturdy cardboard box to ensure safe transportation. Each battery pack is securely cushioned with protective foam inserts to prevent any damage during shipping.

**Shipping:** We offer fast and reliable shipping services for the LifePO4 Battery Pack. Your order will be processed and dispatched within 1-2 business days. We use trusted carriers to deliver your battery pack safely to your doorstep. You will receive a tracking number to monitor the status of your shipment.

## FAQ

### Q: What is the brand name of the Lifepo4 Battery Pack?

A: The brand name is TINKO/OEM.

### Q: What is the model number of the Lifepo4 Battery Pack?

A: The model number is TK32140.

### Q: What certifications does the Lifepo4 Battery Pack have?

A: The Lifepo4 Battery Pack is certified with CE/ROHS/MSDS/UN38.3.

### Q: Where is the Lifepo4 Battery Pack manufactured?

A: The Lifepo4 Battery Pack is manufactured in China.

### Q: What is the minimum order quantity for the Lifepo4 Battery Pack?

A: The minimum order quantity is 10PCS.
