

## LFP 32140 Lifepo4 Battery Pack 3.2V 150AH High Discharge Current

Our Product Introduction

for more products please visit us on [tinkopower.com](http://tinkopower.com)

### Basic Information

- Place of Origin: China
- Brand Name: TINKO/OEM
- Certification: CE/ROHS/MSDS/UN38.3
- Model Number: TK32140
- Minimum Order Quantity: 10PCS
- Price: Negotiable
- Packaging Details: parer carton
- Supply Ability: 100pcs/day

### Product Specification

- Battery Type: Lifepo4
- Safety: High
- Discharge Current Handling: High
- Product Name: LFP 32140 Cylindrical Lifepo4 Battery 3.2V 150ah Lithium Battery Pack
- Capacity: 150AH
- Cycle Life: Long
- Stability: High
- Product Category: Lifepo4 Battery Pack
- Highlight: LFP 32140 Lifepo4 battery 150AH, 3.2V Lifepo4 battery high discharge, Lifepo4 battery pack 150AH with warranty

Product Description

330×35×180mm LiFePO4 Battery Pack Solution for Toxic Metals-Free Energy Storage

Product Specifications

Attribute	Value
Battery Type	LiFePO4
Safety	High
Discharge Current Handling	High
Product Name	LFP 32140 Cylindrical LiFePO4 Battery 3.2V 150Ah Lithium Battery Pack
Capacity	150AH
Cycle Life	Long
Stability	High
Product Category	LiFePO4 Battery Pack

Product Description

The 48V LiFePO4 Lithium Battery is a premium product in the Hybrid Battery Pack category, designed to deliver exceptional performance and reliability for diverse applications. Key features include high discharge current handling capability for stable power output under demanding conditions, and stable voltage output throughout the discharge cycle thanks to advanced LiFePO4 technology. With compact dimensions of 330×35×180mm, this battery pack integrates easily into various systems, from electric vehicles to solar energy storage. It utilizes high-quality CALB LiFePO4 battery cells known for superior performance, longevity, and safety.

Key Features

- High quality construction
- Long cycle life
- Contains no toxic metals
- Environmentally friendly
- Compact and versatile design

Technical Parameters

Parameter	Value
Voltage Output	Stable
Safety	High
Weight	2720g
Toxic Metals	None
Cycle Life	Long
Capacity	150AH
Voltage	3.2V
Environmentally Friendly	Yes

Applications

This versatile LiFePO4 battery pack is suitable for:

- Solar energy storage systems
- Electric vehicles
- UPS systems
- Outdoor adventures and portable power
- Industrial equipment
- Home energy storage

Certifications include CE, ROHS, MSDS, and UN38.3. Minimum order quantity is 10 pieces with daily supply capacity of 100 pieces.

## **Support and Services**

Comprehensive technical support is available, including installation guidance and troubleshooting assistance from our expert team.

## **Packaging and Shipping**

Each battery pack is securely packaged in durable cardboard with protective wrapping. Orders ship within 1-2 business days via reliable carriers.

## **Frequently Asked Questions**

### **What is the brand name of this battery pack?**

The brand name is TINKO/OEM.

### **What is the model number?**

The model number is TK32140.

### **What certifications does this battery pack have?**

CE, ROHS, MSDS, and UN38.3.

### **Where is this battery pack manufactured?**

China.

### **What is the minimum order quantity?**

10 pieces.
